AURORA LEAP

Dutch Canopies

Product Information

Dutch window canopies are a simple and cost effective way of creating a shaded area while maintaining a high quality appearance. They are ideal for shop fronts or to just give a more traditional look to your property.

Our Dutch Canopies are available in hundreds of different finishes. They come with either manual or Somfy electric operation for retracting them back flush with your walls.

Would you like to make ideal use of your balcony or your patio in the summer time?

With our WKS Dutch canopies, you can accomplish this right from the start. Protect your private sphere from the rays of the sun and from the curious eyes of your neighbours. Rigid balcony partition walls are complicated and bulky, and what's more, they don't even look good!

The ideal solution in this case is the Dutch canopy offered by Aurora Leap. Easy to mount and even easier to use, this set-up is the ideal protection from UV rays and curious eyes. And when you no longer need it, simply fold back the Dutch canopy WKS and enjoy the unobstructed view.

With a huge selection of lovely fabrics, you can also add a Mediterranean ambiance to your patio or balcony. Enjoy the loveliest hours of the year with a Dutch canopy made by Aurora Leap.
